National Registry of Certified Medical Examiners: Landing Page. Instructions to Become a Certified Medical Examiner. If you are interested in becoming a certified medical examiner, select the link above to learn about the requirements and process.

National Registry of Certified Medical Examiners | Federal

A test or examination (informally, exam or evaluation) is an assessment intended to measure a test-taker's knowledge, skill, aptitude, physical fitness, or classification in many other topics (e.g., beliefs). A test may be administered verbally, on paper, on a computer, or in a predetermined area that requires a test taker to demonstrate or perform a set of skills.
