In the NDSU Biological Sciences department you will find faculty dedicated to creating a dynamic, intellectually-stimulating learning environment with an emphasis on hands-on learning both in the classroom and in the field, at home and abroad.

Biological Sciences | NDSU

Growing up and living within a society can foster the development and observation of social experience. Social experience provides individuals with the skills and habits necessary for participating within their own societies, as a society itself is formed [citation needed] through a plurality of shared experiences forming norms, customs, values, traditions, social roles, symbols and languages.

Experience - Wikipedia

The International Deer Biology Congress (IDBC) aims at uniting professionals interested in wild deer biology, management and farmed deer production, to provide a forum to discuss common problems, and share knowledge and experiences.
