Varieties of Floundering: Some grants flounder just because the program design or implementation plan had some flaws. Those tend to be the easier ones to fix. Those tend to be the easier ones to fix. The other two types of troubled grants are usually harder: those where the grantee has organizational or management problems, and those where the grantee and grantmaker have different (or even conflicting) values.

### **Southern Flounder FRONT with bleed with copyright**

The southern flounder is a valuable sport and commercial fish along the gulf coast. Sport fishing is done by hook and line and by gigging. Most of the commercial catch is incidental to the catch by shrimp trawlers. According to Jackson (1972) the southern flounder is "one of the most sought after and prized fish in the
